

<b>4</b>	<b>Reconstruction of the Eyelid Units</b> .....	54		
	<i>Anne Barmettler</i>			
<b>4.1</b>	<b>Eyelid Reconstruction</b> .....	54	<b>4.3.1</b>	Skin-Only Defects .....
			<b>4.3.2</b>	Full-Thickness Defects (Skin and Tarsal Defects) .....
<b>4.1.1</b>	Location .....	55	<b>4.3.3</b>	Key Points .....
<b>4.1.2</b>	Depth .....	55		
<b>4.1.3</b>	Size .....	55	<b>4.4</b>	<b>Lateral Canthal Subunit</b> .....
<b>4.2</b>	<b>Lower Lid Unit</b> .....	55	<b>4.4.1</b>	Key Points .....
<b>4.2.1</b>	Skin-Only Defects .....	55	<b>4.5</b>	<b>Medial Canthal Subunit</b> .....
<b>4.2.2</b>	Full-Thickness Defects (Skin and Tarsal Defects) .....	56	<b>4.5.1</b>	Key Points .....
<b>4.2.3</b>	Key Points .....	60	<b>4.6</b>	<b>Conclusion</b> .....
<b>4.3</b>	<b>Upper Lid Unit</b> .....	60		
<b>5</b>	<b>Reconstruction of the Cheek</b> .....	63		
	<i>Jenna Wald and C. William Hanke</i>			
<b>5.1</b>	<b>Introduction</b> .....	63	<b>5.6</b>	<b>Zygomatic Subunit</b> .....
<b>5.2</b>	<b>Anatomy</b> .....	63	<b>5.6.1</b>	Primary Closure .....
<b>5.2.1</b>	Soft Tissue .....	63	<b>5.6.2</b>	V-Y Advancement Flap .....
<b>5.2.2</b>	Innervation .....	64	<b>5.7</b>	<b>Lateral Subunit</b> .....
<b>5.2.3</b>	Vascular Supply/Lymphatics .....	64	<b>5.7.1</b>	Advancement Flap with Burow's Triangle .....
<b>5.3</b>	<b>Clinical Considerations</b> .....	64	<b>5.8</b>	<b>Buccal Subunit</b> .....
<b>5.4</b>	<b>Algorithm for Cheek Reconstruction</b> ...	65	<b>5.8.1</b>	Primary Closure .....
<b>5.5</b>	<b>Medial Subunit</b> .....	66	<b>5.8.2</b>	Transposition Flap .....
<b>5.5.1</b>	Advancement Flap .....	68		
<b>5.5.2</b>	Rotation Flap .....	69		
<b>5.5.3</b>	V-Y Advancement Flap .....	70		
<b>6</b>	<b>Reconstruction of the Upper and Lower Lip Unit</b> .....	77		
	<i>Gian Vinelli, Ramone F. Williams, David H. Ciocon, and Anne Truitt</i>			
<b>6.1</b>	<b>Anatomic Considerations</b> .....	77	<b>6.4</b>	<b>Lower Lip Reconstruction</b> .....
<b>6.2</b>	<b>Approach to Reconstruction of the Lip Unit</b> .....	79	<b>6.4.1</b>	Cutaneous Lower Lip with or without Vermilion Involvement .....
<b>6.3</b>	<b>Upper Lip</b> .....	79	<b>6.5</b>	<b>Vermilion Involvement Only</b> .....
<b>6.3.1</b>	Philtral Subunit .....	79	<b>6.5.1</b>	Less than One-Third of the Lip Length ...
<b>6.3.2</b>	Philtral Subunit: Vermilion Lip Only .....	85	<b>6.5.2</b>	Greater than One-Third of the Lip Length .....
<b>6.3.3</b>	Lateral Subunits .....	86		
<b>6.3.4</b>	Vermilion Lip Only .....	89		

<b>7</b>	<b>Reconstruction of the Mental Unit</b> .....	97		
	<i>Thomas K. Barlow, Arjun Dayal, and Vineet Mishra</i>			
<b>7.1</b>	<b>Anatomy</b> .....	97	<b>7.4</b>	<b>Lateral Chin</b> .....
<b>7.2</b>	<b>Defects and Repairs</b> .....	99	7.4.1	Lateral Chin Key Points .....
<b>7.3</b>	<b>Central Chin</b> .....	100	<b>7.5</b>	<b>Submental Chin</b> .....
7.3.1	Central Chin Key Points .....	104		
<b>8</b>	<b>Reconstruction of the Ear</b> .....	108		
	<i>David G. Brodland</i>			
<b>8.1</b>	<b>Basic Concepts in Reconstruction of the Ear</b> .....	108	<b>8.2</b>	<b>Antihelix and Conchal Bowl</b> .....
8.1.1	Superior Helix .....	110	<b>8.3</b>	<b>Posterior Ear Defects</b> .....
8.1.2	Mid Helix .....	112		
8.1.3	Earlobe/Inferior Helix .....	114		
<b>9</b>	<b>Reconstruction of the Neck Unit</b> .....	122		
	<i>Merrick A. Brodsky, Saud Aleissa, and Anthony Rossi</i>			
<b>9.1</b>	<b>Anatomy of the Neck</b> .....	122	9.2.1	Primary Closure .....
9.1.1	Anterior Cervical Triangle .....	122	9.2.2	Secondary Intention Healing .....
9.1.2	Posterior Cervical Triangle .....	122	9.2.3	Skin Grafts .....
9.1.3	Platysma .....	123	9.2.4	Skin Substitutes .....
<b>9.2</b>	<b>Reconstruction</b> .....	124	9.2.5	Skin Flaps .....
			9.2.6	Complications .....
<b>10</b>	<b>Reconstruction of the Scalp</b> .....	128		
	<i>Adam J. Tinklepaugh and Rachel Westbay</i>			
<b>10.1</b>	<b>Scalp Anatomy</b> .....	128	<b>10.4</b>	<b>Choosing the Reconstructive Approach</b> .....
10.1.1	Soft-Tissue Layers .....	128	10.4.1	Second Intention .....
10.1.2	Vascular Supply and Lymphatics .....	129	10.4.2	Primary Closure .....
<b>10.2</b>	<b>Preoperative Evaluation</b> .....	130	10.4.3	Skin Grafting .....
10.2.1	Evaluating the Patient .....	130	10.4.4	Local Flaps .....
10.2.2	Evaluating the Defect .....	130	10.4.5	Regional Flaps .....
